IMPACTING LIVES IN KENYA…… V7N8 Sept 2026

We continue to Disciple our people

Our Mission Statement declares "To fulfill in any and every way the Commandment Jesus gave His disciples as His final Mandate". After worship we break for chia, mandazi and fellowship, then classes.

Discipleship class at Mailisaba Church

At Manyatta Church

DTS has four levels each taught for 12 weeks. Over the period of a year we mentor each student in the foundational truths. Learning who they have become in Christ, the attributes of the God of the Bible, recognizing who satan is and is not. How to draw intimately to God and how to live with victory over sin.

In the final Series they learn evangelistic approaches to different situations, how to communicate with those bound in cults and other religions. On the job training takes place before their final graduation by going house to house, walking through the market place or while traveling with a boda boda(motorcycle taxi). Our goal – prepared and "doing" until standing before Christ's Throne.
