IMPACTING LIVES IN KENYA…… V7N9 Oct 2026

Improving the lives that serve

There are many who serve the Christ Who came to serve *(Mark 10:45; II Corinthians 4:5-6)* When I first came to Kenya to serve in 2010, one of my observations was the hearts of many who desire to serve in a greater way than they had the means to do so.

Helping to free up time that consumes many, just to find their food for that day was a bright neon sign. To be able to serve effectively one must have "time'. You, I and everyone are only allotted the same 24 hours each day. Especially our pastors need "time" to be able to serve their family, their congregation and their community.

The much-needed home project for Pastor Shadrack is the latest of those God-enabled endeavors. These pictures reveal the almost completed home. It will not only help his family, but it will serve as a gathering place for bible study, counseling and at times a place of refuge for those he and his family serve.

To all of you who have contributed to make this a reality…thank you and may our gracious God abundantly bless your efforts and sacrifices.
