IMPACTING LIVES IN KENYA

V2N5 June 2021

CORNERSTONE FELLOWSHIP

Cornerstone is among the most recent churches of FLMK, located in the southern part of Kenya near a place called Kajiado. It is pastored by Senior Pastor Samuel Malesi and his wife Miriam Malesi. The church has close to 40 members who are committed daily to serving God. The area is inhabited

by the Masaai people who strongly hold on to their culture and traditions. The church however has been at the forefront in helping them understand the truth of salvation. The area is very dry with a semi-arid type climate leading to frequent drought and sometimes the death of animals and people due to lack of food and water.

One of the challenges faced by the church is the lack of proper roofing. Their roof is temporal and sagging which poses a danger to worshippers.

The church needs inside finishing of the walls with plaster (a mix of mud, sand and cement). Also the doors and windows need to be permanently mounted. The temporal toilet needs to be replaced with a permanent, safe toilet structure. We are praying for them and also making an appeal to well-wishers to offer support to address one or more of their needs.

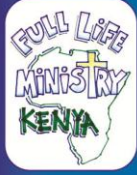

TRUIMPHANT GRACE ACADEMY

It's been many tough months of lockdown and there is an increase in Covid 19 cases. But we thank God for bringing us this far. Among the children at TGA is Christabel Akinyi, a grade two pupil who comes from a family of five children. She is very determined to succeed in her studies despite challenges faced at home. She is one of the younger sisters to Bryton Achieng' who we spoke of in an earlier newsletter.

Christabel comes from a very humble background that goes through a lot to get food and clothing. Most of the time she and her brother walk to school on empty stomachs. This many times has greatly affected their education. The porridge provided at the school helps them so much. They are determined, but their performance is low because it is hard to concentrate in class when coming to school

with an empty stomach. We are praying that God will bring change in their lives in the future and that they will find help from well-wishers who will help them reach their dreams.
