IMPACTING LIVES IN KENYA

V2N9 Oct - Nov 2021

Returning to Kenya – On the Ground 31 Days

It had been 18 months since I had returned to America because of Covid. But hearing the wheels hit the Nairobi tarmac again was emotional. God's plans are always the best plans. I joined Pastor Omega that night and we headed out early the next day to Kyuso about a 5 hour drive. Arriving, we met with Pastor John from our Kamwingi Church.

A half an hour drive the next day to the church where we spent the day in Discipleship Training. Many had been studying their lessons in Swahili while I knew their native Kumba is a must for them to fully grasp all that is being taught. We have completed New Life In Christ now, so copies are being printed and soon they will benefit from all the work done to make it possible. We need to pursue the translation of our other three lesson books into Kumba.

Sunday worship was especially powerful watching and listening to Kamwingi's Sunday School class sing and give their memory verses. Then, the adult choir team sang and their dance was so joyful before the Lord. Their love for Christ I believe is very evident and I believe God is going to continue to move in this region to seek and save the lost.

The next day we surveyed, marked off and dedicated a portion of land for Pastor John and his family to build a new home on. The perseverance and dedication of Pastor John and his wife Purity would be hard to match. The church has withstood many challenges and has come through stronger than ever.

The following day was spent clearing the land. Hot would be the only word I can think of to describe the heat, but it did not deter anyone from laboring from sun up to late in the day. At the end of the day there was still about a third of the land to be cleared which was accomplished after we began our journey to Bissil.

Traveling back to Nairobi, we then drove 2 more hours to Cornerstone Church where we were greeted by Pastor Malesi and his wife Miriam. Enjoyed dinner and fellowship with them in their home and then prepared for the next day of discipleship training.

Pastor Meshack translated into Swahili and then later Massai as some of the youth came from the future Omanie Church. The next day we traveled into Tanzania then back into Kenya to our new Massai Church in Omanie.

We met our new brothers and sisters as we arrived. We fellowshiped as we ate lunch together and the worship service was so sweet. God is just doing amazing things in Kenya and enabling FLMK to be a part of what I believe to be God's leading.

We flew to Kisumu and drove to Maragoli to spend a few days with Deputy Bishop Omega and his family. Yvonne taught me how to make mushroom porridge. With a little sugar, it is actually very nutritious and tasty. Then we traveled to our Mailisaba Church for Sunday Worship and fellowship. Pastor Shadrack gave me a tour in the church's banana farm that was amazing. We shared a wonderful meal together later that night.

The next day, we drove a short distance to fellowship with Pastor Andrew and a few of our Lukhuna Church members. We had a great time together sharing what had transpired while we were apart. So much good food, I guess I forgot to even take a picture while we were eating!

Pastor John and Hellen at our Chimuche Church were blessed with a new baby girl, Joy. We took time during our time together to dedicate this precious child to our Lord. We also met together in their new location. Praise God for His provision.!

Traveling back to FLMK Headquarters in Maragoli set the next trip to our Igunga Church. We spent part of the day together with Pastor Swadi and his wife Mary. They surprised me with a new shirt and tie. Later in the day we met with part of their congregation for praise and worship.

A few days later we drove to our Gavalagi Church to worship in the building they have outgrown. When it rains, some must stand outside to worship and listen to the Word preached. It is apparent that they are serious in their love for Christ. We enjoyed eating a meal together with Pastor Patrick and his wife Jane.

My last Sunday before returning to the USA, we continued our study in the book of Revelation at Manyatta Church, our Headquarters. Only God knew that what we studied 19 months earlier the world would be a different place than what it is today.

We will intentionally continue to fulfill the mission of “making disciples” in all FLMK Churches.

The scriptures declare; “Fear not them which kill the body...but fear Him which is able to destroy both soul and body in hell” *Matt. 10:28*
