Making An Impact for Christ

V3N11 November 2022

A great time of worship, teaching and fellowship took place Oct. 30 – Nov. 2 in Eaton, Ohio. This annual event is hosted and funded by Covenant of Peace International. Below is a picture at the front entrance to COPI with the missionaries and pastors who attended this year.

Many Ministries set up display tables to enable all in attendance to better know who they are and what God has called them to accomplish. May God bless the work of all these who sacrifice for the Kingdom of Lord Jesus.

November Missions Trip

I am completing our newsletter in the London Airport as I wait for my flight to Nairobi. One of the members of LifeHouse Church, Bill Wehmeyer will be joining me in Nairobi, then flying to Kisumu. He will be visiting 4 or 5 of our churches and going out into some of the villages that we serve.

We believe it will be an exciting time ministering in Kenya. He will visit Triumphant Grace Academy in our present location as well as our new construction of classrooms. All our precious children are expectantly waiting his visit.

Need to get going to make my flight. Next month we should have much to report. Please be in prayer as both of us travel and that God will receive all the glory for whatever is accomplished.
