IMPACTING LIVES IN KENYA

GAVALAGI - NEW CHURCH BUILDING

On February 13th we officially opened FLMK Gavalagi Worship Centre! It was a great day of celebration. Bishop Chivington, along with Deputy Bishop Omega, his wife Rosemary, Pastor Patrick & his wife Jane cut the ribbon dedicating this church building to the Glory of God. We had been praying for this day since birthing this work about 3 years ago. Our North Rift Overseer, Pastor Shadrack from Mailisaba, Kitale preached the opening sermon. The congregation is pastored by Senior Pastor Patrick. They had been meeting in a rented building that used to be a barber shop. The size of their sanctuary was only about 10' by 16' with people some Sundays standing outside at the door. We praise God that now they have a new sanctuary measuring 30' x 40'. It is only by the grace and provision of God and FLMK's supporters that this became possible.

FLMK HEADQUARTER – PRAISE AND WORSHIP

Each leadership position in any given church setting is very important. Just like any other team, praise and worship team plays a very important role. The team at the headquarter is called Asaph and is very devoted to serving through songs and dance. A small band group has been created inside the team ministering at FLMK. They also

minister in other churches during the weekdays.

The team is carrying on well but, experienced a great setback last month. A year ago we had managed to raise money to purchase instruments such as guitar, keyboard, amplifier, microphones and so on.

Unfortunately, thieves broke in and stole what we had labored for so long, early February. This has dragged the team backwards and it's been a challenge raising money again to purchase these items. We therefore are praying and making an appeal to well wishers out there to offer support so that we can replace what was stolen. May God abundantly bless you.

PRAYER REQUESTS:

Continue to pray that God will protect the health of all the families in FLMK. By His grace, not one of our people have become seriously ill or die from Covid.

Pray that God will place upon someone's heart to help replace the stolen musical instruments that will enable these young people to minister God's Word through music.

Pray that God will lay it upon the hearts of those who desire to financially help serve through FLMK, to do so...
