## IMPACTING LIVES IN KENYA

V3N4 April 2022

### **FLMK-JERUSALEM FELLOWSHIP**

This is among the four home fellowships created in the Headquarter. It is led by Pastor Danmas Kanyangi who is also the Headquarter's youth pastor. FLMK continues to encourage every member to be part of a home fellowship group. This is because it has been at the fore front in stirring people to love and good work through learning to apply God's word through discussion and serving each other.

Through these fellowships, people have been able to share their joys and bear each other's burdens. They have also created healthy Christian friendships through interaction, prayer and activities. Most people share a meal at the end of each fellowship which has brought about motivation among members. A large number of people from these fellowships come from very poor backgrounds and just sharing a meal or a cup of tea at the end of the fellowship makes them feel better. We are praying that God expands these fellowships so that more people get involved in serving God through different activities, talents and evangelism.

### **CONFERENCES**

We praise God for our Pastor's wives and a few of our women leaders dedication to attend the second "**Women of Destiny**" conference at our Mailisaba Church near Kitale. They enjoyed a few days of fellowship during the conference since they are not usually able to see each other because of the distance between the churches God has enabled FLMK to raise up. They had wonderful & powerful teachings each day. FLMK Women's Director, Dawn Chivington taught via zoom from the United States. God has placed a special love between her and our women... Others who taught were Deputy Bishop's wife Rosemary Omega, Bishop Kenny Chivington and our North Rift Overseer Pastor Shadrack. The Women of Destiny gave sacrificially to purchase security lighting at our Headquarters in Manyatta. Only God knows what He will enable these Godly women to accomplish.

## **Annual Pastor / Leader Conference**

We gathered at our Headquarters in Maragoli the days of March 24<sup>th</sup> – 26<sup>th</sup>. Pastors, their wives and leaders from eight of our churches spent time together being taught the Word of God relating to the call each of these dedicated servants have been given by our Lord. Pastor Don

Mayes taught from the US via Zoom with our Bishop teaching the other daily sessions. In the evenings Overseer Pastor Shadrack taught our Senior Pastors out of the BTCB Biblical Theology books they are studying. I believe everyone returned to their churches refreshed and empowered to continue pastoring and leading successfully.

## **PRAYER REQUESTS:**

Our church in Kamwingi needs to build a house for our pastor & his family. They have been living in a Manyatta house (Temporary) and the weather has almost destroyed it.

Pray that God will place upon someone's heart to help replace the stolen musical instruments that will enable our young people to minister God's Word through music.
