## **IMPACTING LIVES IN KENYA**

V3N9 September 2022

### **FLMK - Manyatta**

We have just now ended our election period and we are grateful to God for the peace that has prevailed. Each election year, in Kenya comes with much tension and bloodshed but, this time things turned out different. As we wait for the elect president to be sworn in, we hope that things will get better economically.

Prices of many things have gone up a lot including food stuffs. Many churches have taken the initiative to support the needy who are completely struggling to put food on the table. FLMK has been part of this. Members who are better off have been willing to give food to those that have nothing. The family of FLMK Deputy Bishop Ken Omega has played a large role in this endeavor. We would like to reach everyone that is struggling to get food but, we don't have the capacity to do so. We are making a plea to those who may have the means to offer support. We are praying things will get better in the new government.

### **TRUIMPHANT GRACE ACADEMY**

It's been a busy year. The government is trying to catch up with the lost school time during Covid 19 and during elections. Children have been in and out of school occasionally but, hopefully we will get back to normal as a country. The 2022 school year will end in December only allowing for 8 months of studies.

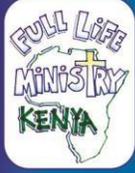

Idii Mugeru is a PP2 child in TGA. He comes from a very humble / poor background. His mother recently joined FLMK and she is mentally unstable. She is a mother of three children, and they struggle much to even get food and clothing. Our staff and the congregation of FLMK Manyatta Worship Centre have been very supportive to them. We are seeking someone who could help support Idii with his school uniform and needed materials.

### **GOOD NEWS REPORT**

The construction at TGA is now beginning the Phase 3 which involves placing the roofing on the five new classrooms. We thank everyone who has contributed in some way. And we thank of Lord that we have had no injuries during these few months of construction so far!
