IMPACTING LIVES IN KENYA

V4N3 March 2023

FULL LIFE MINISTRY KENYA – MANYATTA WORSHIP CENTRE

Servants of God, a title our pastors do not take lightly are doing a great work in Kenya. They are ensuring the gospel is being spread everywhere. Some of our pastors travel long distances, sacrificing family time for the gospel. Beyond these sacrifices, each one has other challenges that they face daily.

The leadership team at Manyatta Worship Centre, our Headquarter Church labors together with all of our pastors to do the work of the Gospel. Some of our congregations have very little and the tithe falls short to provide for their pastors and his family. This necessitates the pastor trying to earn the shortfall by means of some type of other work. In Kenya that is extremely hard to do, but they stay faithful to the call God has placed on their lives.

We continue to use the means God's people provide to train our pastors and leaders as they pursue being faithful to do the work of ministry. To be honest training requires money. Our request is that you pray along with us that God will continue to make the way. God is faithful as we have witness over and over these past 9 years come June.

Again, please pray with us that we can provide quality theological education and provide ministry resources such as bibles and discipleship training materials. Special business training can enable the acquiring of knowledge to help them start small businesses. Our goal is to raise up our people to be able to raise up many others.

needs within the community. They brought him to TGA with a hope that he will improve. The difference in children like Don may cause fear to those that do not understand the situation of special needs. We are praying that someone will sponsor Don to facilitate his educational needs.

Our sincere gratitude goes out to all who have ensured that TGA is where it is today for the children our staff teaches and ministers to.

Prayer Requests:

- Continue to pray for our Pastor's wife, Purity who is still battling much sickness.
- Begin to pray as my daughter Dawn prepares to come to Kenya to minister through our Children Crusades and our Women Conferences this coming July.
