## IMPACTING LIVES IN KENYA

V4N4 April 2023

### FULL LIFE MINISTRY KENYA – ORMANIE

This is the latest branch of FLMK church opened in Kajiado on the border of Kenya and Tanzania. The church mainly contains of the Maasai, a tribe in Kenya that still holds to its traditions and customs. Through the grace of God, FLMK managed to establish a church containing approximately 70 members.

The congregation has been growing spiritual little by little being in a somewhat secluded and not very accessible area. In this picture you can see the church structure behind some of those who call FLMK Ormanie their place of worship of Yesu (Jesus). The building sheltered the congregation from the hot Kenyan sun.

This picture was taken March 9th after strong winds blew the roof off and left only 3 battered walls. Most of the structure posts were broken at the base and we will need to pretty well start from scratch. Currently, their services are being conducted in an open field under a tree. We are trusting God to make a way to construct a better new building.

### TRUIMPHANT GRACE ACADEMY

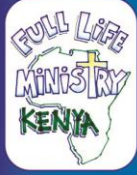

This is Ibrahim Onzere, one of our new Pre-primary one pupils. He is very polite and seems determined to learn. He lives with his mother and step-father and they come from a very poor background. His father is a drunkard and the mother is mentally unstable.

The family faces conflicts now and then because of the father and therefore putting Ibrahim and his siblings to extreme risk of illiteracy and hopelessness. Most of the time he comes to school on an empty stomach, but we thank God and our supporters for ensuring that our children get a cup of nutritious porridge every school day.

## Prayer Requests:

- Continue to pray for our Pastor John's wife, Purity who continues to battle much sickness.
- Pray for our July Children Crusades and Women Conferences. Dawn will be traveling to Kenya to minister our Children and Women.
- Consider helping financially to rebuild the Ormanie Church building. It will require approximately \$4,000USD. Any amount will be a blessing to our Massai people.
- One more item for those who faithfully pray for FLMK's continued work in Kenya. Our 2010 Ministry Vehicle has served us well, but all the "paths" it has taken us on have taken a toll. We need to put some good money in repairs to keep it *faithful*...
