IMPACTING LIVES IN KENYA

V4N8 Oct-Nov 2023

After returning from Kenya and communicating with my people on the ground I know that God alone is the One Who directs the paths of those who truly belong to Him. It is the heart of the Father to accomplish in and through His children His plan for mankind.

It is not the majority's agreement on a decision that makes the decision correct. It is the will of God that is the correct decision. And He does not withhold His direction if we seek Him through the means He has provided.

FLMK Ormanie Worship Centre

As we have shared before our church building in the Massai land of Ormanie was destroyed in March. Our Massai brothers and sisters have continued to worship, gathering each Sunday at the site somewhat under a tree. We continue to pray that God will provide the funds to rebuild. As in most parts of our world prices have increased a lot. We have one \$500 donation and still need about \$4,000 to completely rebuild the church structure.

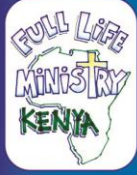

This is a picture of many of the congregation. Our prayers continue to ask God for provision through who ever may feel this is an investment into the lives of the Massai Tribe in Kenya. These people in this region have not truly been evangelized or disciplined. We have already been monthly taking a group from our church in Bissil traveling 2 hours each way to begin accomplishing the task before us.

We ask that you who know how to touch the heart of God to pray that God will make the way.
