## IMPACTING LIVES IN KENYA

V5N2 April 2024

We apologize for the absence of the previous 2 months newsletters but, good news: God is faithful !!!

### LifeHouse Church Mission Trip 2024: Jan. 29<sup>th</sup> – Feb. 9<sup>th</sup>

On day 1 the team members from Delaware began work on a 12' x 20' structure which will house two Sunday School classrooms. It is replacing the too small structure the children have had. The next stage has been planned and will be the construction of the walls, windows & doors. The structure has already been in use by those at Bissil Worship Centre about 2 hours southeast of Nairobi. We are praying that work will resume soon. The correct construction materials have been a challenge to obtain but, God is faithful.

The landscape at Ormanie Worship Centre is beautiful. It is also challenging. Erecting the 1<sup>st</sup> structure post brought about much dancing and singing among the Massai people of our congregation. The roof is planned and we are waiting for materials to arrive which have been delayed. When the new building is completed we believe God is going to do great things among these wonderful people.

The team participated in Triumphant Grace Academy's assembly around their flagpole; visited their classrooms seeing the children learning; poured out and gave each child their daily porridge; gave all the children crayons and of course...lollipops! It was a great expression of love. Praise be to Jesus!

The next few days the team walked out into one of the nearby villages to enjoy times of home fellowship; visited our Gavalagi Church for a mid-week service and then on Sunday spent the day at Manyatta Worship Centre. Two of the group preached the Word and all in attendance loved on one another for a full day of fellowship.

We traveled to the east side of Kenya near Kitale where the team took to the streets of the slum witnessing to many and some received Christ as their personal Savior. We were able to participate in a home bible study. We worshipped with the people of Maili-saba Worship Centre and later toured their ndizi (banana) farm.

The team visited FLMK Premium Worship Centre which is located within the Kitale slum area. It is a large area with much potential for Christ. The Pastor & his wife are solid Christ followers today, they both had been Muslims. God is doing great things in Kenya and we give unto Him all the Glory!!!

That's not a picture out of National Geographic, we were within a few feet of this beautiful creature. The team spent their last day at the Nairobi National Park and God was gracious in that we saw just about every animal that most only see on a safari to Massai Mara. We Kenyans & this one mzungu thank each of these precious 7 people who sacrificed to come and serve our people in Kenya.!

Are efforts for our Lord Jesus in “making disciples” seem very costly to those who do not understand what is at stake for each man, woman and child who is not prepared. But to those who have been set free from the debt of sin it is joy unspeakable with our reward being that we belong to Him...eternally.

“That day will soon arrive without warning... let us bring in the last days harvest.”

### Prayer Requests:

God has provided funds for the completion of the Bissil Sunday School Classroom Bldg. and the Ormanie New Church Building. Our prayer request is that God will give us wisdom as to who to work with because of the escalation of building materials and many people being without food who are willing to do most anything to get some money.

It has always been a challenge to build in 3<sup>rd</sup> world countries like Kenya but, FLMK has since day one endeavored to guard what has been entrusted to us. I personally thank you all in advance who will seriously seek God with this request.

God uses people, ordinary people who truly care about the work on the ground in other countries such as Kenya. An email to: [fulllifeministrykenya@gmail.com](mailto:fulllifeministrykenya@gmail.com) will receive a quick response to any question you may have.

Every dollar is spent wisely for our teachers, children, pastors, projects...all for the glory of our Lord. Thank you...
