## IMPACTING LIVES IN KENYA

V5N3 May 2024

### FLMK Ormanie Worship Centre

We praise God that He alone is faithful...always. This is a truth that stands out among “our plans.” As some of you may already know, Kenya’s economy this year has suffered more than usual. We saw fit to wait for some months praying for the cost of ironsheets to come down from being 160%. They decreased 20% so we decided not to wait any longer.

Also, the country of Kenya has been and is suffering from unusual rains and flooding. The road [path] that we travel the last 9 miles to Ormanie was washed out by the rains making it unpassable. We did attempt to transport materials twice early in the month (our plans) but, on the 30<sup>th</sup> we were finally able to get to the church construction site. (God’s plan)

The pictures of the roof were taken Saturday May 4<sup>th</sup>. Presently, we are waiting for materials to be available for the next phase which is the walling of the building. Please pray with us that the rains that are continuing in some parts of Kenya will stop.

Our pastor of Ormanie and all of his congregation continue to praise God and give thanks to the people of LifeHouse Church and the congregation of Christian Life Assembly of God making possible the construction of their church building. In their native language of Massai they convey “May God continue to bless you and expand your territories”.

### FLMK Bissil Sunday School Building

Materials should be arriving to construct the walls early in May. For those of you who are helping us here in Kenya... please understand that sometimes it takes months to do what we do the same day in America. In the 13 years I have served in this beautiful country, the Holy Spirit has been the one teaching patience and providing it.

My prayer accompanied with faith is that in next month’s Newsletter you will see pictures of both Ormanie’s and Bissil’s buildings having their walls in place. Pray with me that God will enable us to accomplish this all for His Glory!

Are efforts for our Lord Jesus in “making disciples” seem very costly to those who do not understand what is at stake for each man, woman and child who is not prepared. But to those who have been set free from the debt of sin it is joy unspeakable with our reward being that we belong to Him...eternally.

“That day will soon arrive without warning... let us bring in the last days harvest.”

### Prayer Requests:

Our prayer request is that God will give us wisdom as to who to work with because of the escalation of building materials and many people being without food who are willing to do most anything to get some money.

It has always been a challenge to build in 3<sup>rd</sup> world countries like Kenya but, FLMK has since day one endeavored to guard what has been entrusted to us. I personally thank you all in advance who will seriously seek God with this request.

God uses people, ordinary people who truly care about the work on the ground in other countries such as Kenya. An email to: [fulllifeministrykenya@gmail.com](mailto:fulllifeministrykenya@gmail.com) will receive a quick response to any question you may have.

Every dollar is spent wisely for our teachers, children, pastors, projects...all for the glory of our Lord. Thank you...
