IMPACTING LIVES IN KENYA

V5N4 June 2024

FLMK Ormanie Worship Centre

As we revealed last month, Kenya's instability, economy and unusual rains pushed the construction of the FLMK Ormanie Church out many months but, our God is faithful. We share with you all pictures taken May 31st showing the progress made so far. All the walls are now in place with their facial boards outlining the roof.

The main sanctuary is 25' x 50' with a 15' x 12' foyer. On each side at the rear of the building are 12' x 12' rooms. Both will be multi-purpose with one helping to store cooking utensils since many travel far to attend. The other will serve the pastor to store some clothing and other needs to facilitate his pastoral duties during the week.

Join us as we celebrate and thank all of you who have made this possible and pray with us as we endeavor to have the doors and windows delivered and installed. Again, this will be a process because of the remoteness of the location. To God be all the glory!

Giving birth that others may know

This remote village near the Ugandan border is the site for a new church plant. A church structure is in progress and if all goes well, we will officially open FLMK Rongai Worship Centre later this month. We have been mentoring a wonderful group of Christ Followers to raise up a strong body of believers for the glory of God.

FLMK Bissil Sunday School Building

Last month we were praying that the needed materials would be arriving to construct the walls of the Sunday School building. It looks to be mid-June now. This is the congregation who have given birth to or gathered in the children who will fill this new building. We believe you are praying and by the grace of our Lord, June will see our prayers answered.

“That day will soon arrive without warning... let us bring in the last days harvest.”

Prayer Requests:

Pray that God will protect all He has given us to “GO” and do what He has called us to do. Your prayers open locked doors and bind those who would try to stop the work needed to be accomplished.

Pray that God will continue to give us strength and health. To be honest there is much warfare going on. Our enemy, satan uses people under his influence and it is the prayers of God’s people that moves God to defeat satan’s agenda.

God uses people, ordinary people who truly care about the work on the ground in other countries such as Kenya.

Every dollar is spent wisely for our teachers, children, pastors, projects...all for the glory of our Lord. Thank you...
