IMPACTING LIVES IN KENYA

V5N5 July 2024

Political Instability

We praise God for His faithfulness as we have and are enduring the politically induced increases in the staples of daily life here in Kenya. Across the board most prices have continued to rise or stay at their already high levels. Especially hurt are the lives of the average Kenyan because of daily food costs.

Most Kenyans survive on food prepared with wheat and drink tea with sugar for calories. When a mother goes to the market, she now finds wheat flour 200ksh instead of 100ksh for 2 kg. Sugar use to be 100ksh for 1kg, but now it is 160ksh.

Now consider that when prices were 100ksh, that same family was already struggling to get their daily food to eat 1 or 2 meals. I share this because I believe many of you pray for us here. Our provision for all that we do here in Kenya ultimately comes from our God, but he uses “people”. Many of you are those “people”. Thank you because what you share goes a long way touching many. Again, thank you!

FLMK Triumphant Grace Academy

We thank God for all He is enabling us to do through TGA. Our students from PP1 – Grade 2 will be taking their mid-term exams soon. Yes, even these little ones now are required to take 2 government produced tests each school year. Our porridge program each day continues to help especially those who may not have anything with whom they live with.

UPDATES:

The FLMK Ormanie Church Building and Bissil Sunday School Building projects have not advanced due to building material availability and then a Kenyan banking issue which will be resolved next week. Please pray with us for the challenges many 3rd world counties experience like here in Kenya.

FLMK Rongai Worship Centre – 1st Sunday

This is the new church plant we showed some of its construction last month. Rongai's pastor, Pastor Moses stands at the front and you can see many who have come. Amazing what God can do when He touches the heart of His people who give to build the Kingdom of our Lord Jesus. Thank you, Myles & Melanie!

“That day will soon arrive without warning... let us bring in the last days harvest.”

Prayer Requests:

Pray that God will bring peace and stability to Kenya in its government and its people. Ultimately, only pray opens doors to righteousness and closes doors to our enemies.

Pray God enables us to overcome the challenges to complete our building projects.

Thank you all for your prayers and financial support... **“Asante na asante”** (Thank you and thank you)
