IMPACTING LIVES IN KENYA.....

V5N7 Oct 2024

Baptizing near Kitale

We traveled to a small river to baptize 21 men and women from our FLMK Mailisaba Worship Centre. The day before we spent about 4 hours with these precious people teaching about the why and what they would be doing as they were immersed in the waters of baptism. Many questions from those who had recently received Jesus Christ as Savior and Lord.

It was a fantastic day as we approached the river through the dense area of trees. We sang as everyone praised the God Who gave us redemption. The wooden ladder made the descent into the water a little easier. We prayed for God's blessing to be upon each person as they "died to self" and rose to "new life in Christ".

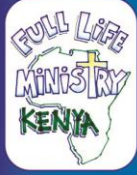

We have water...what then hinders you from being baptized?

The Massia people of Ormanie are now worshipping in their new building. May the Creator of all bless those who have made this possible. **Mungu awarbariki ! (God bless you all !)**

“That day will soon arrive without warning... let us bring in the last days harvest.”

Prayer Requests:

Continue to pray that God will bring peace and stability to Kenya in its government and its people.

Only prayer opens doors to righteousness and closes doors to our enemies.

Pray God enables us to overcome all challenges to complete our Bissil building project.

Pray for our upcoming Sunday School Building Project in Mailisaba.

Pray God will provide sponsors for unsponsored children at TGA

Thank you all for your prayers and financial support... **“Asante na asante”** (Thank you and thank you)
