IMPACTING LIVES IN KENYA.....

V5N8 Nov 2024

Bissil Sunday School – Construction Continues:

Since our last Newsletter we have now come this far...Praise be to our Lord!

The walls have been built and the floor cementing is being completed. Next will be the doors and windows!
Thank you CLAOG

Mailisaba Worship Centre

We have begun building a two room Sunday School at our church located about 7 miles from Kitale. Through the love and efforts of the VBS children at LifeHouse Church.

The children had a day of dedication when the cement slab had cured. Since then the walls are being built and we give our God all the Glory for what He has enabled us to do!

Kamweingi Borehole & Irrigation Project

We are completing the construction of the Kiosk that will serve as a distribution point for water and also as a Duka (store front). We pray this will help the community of Kamwengi in a great way.

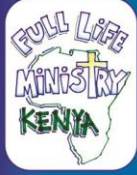

As we finish the kiosk, we will begin the piping of the irrigation for crops. With the enabling power of God Himself, we will see our people harvesting in 2025!

Rongai Church – In need of Prayer Warriors

As we study the life of Jesus, His Apostles & the New Testament church we find much persecution. Most was from those who were jealous or in direct opposition of what God was doing. I would ask each of you who know how to intercede before God to pray for those who are intentionally trying to bring harm to our work at Rongai. We stand today and will continue to stand for the Truth of God's Word.

Thank you all who stand with and support the efforts of FLMK in Kenya. We believe the best is yet to come in the coming days as we see many in our Discipleship Program growing in Christ. We are building an army of Last Day Warriors for Jesus Christ...to fulfill His mandate.

“That day will soon arrive without warning... let us bring in the last days harvest.”

Prayer Requests:

Continue to pray that God will bring peace and stability to Kenya in its government and its people.

Only prayer opens doors to righteousness and closes doors to our enemies.

Pray God enables us to overcome all challenges to complete all our building projects.

Pray God will provide sponsors for unsponsored children at TGA

Pray for those who desire to come to Kenya to be part of the work FLMK is accomplishing

Thank you all for your prayers and financial support... **“Asante na asante”** (Thank you and thank you)
