IMPACTING LIVES IN KENYA.....

V6N2 Feb 2025

## First Month of the Year – TGA

Triumphant Grace Academy opened its doors for the 2025 school year. We are now in our 10<sup>th</sup> year of serving the children who have no opportunity for schooling for lack of money. The only other way for these precious children to be educated is the local Muslim school where they would be taught from the Koran how to hate the “infidel”.

We thank our Lord Jesus Christ and those of you who support FLMK with your prayers and your finances. God has enabled us to love these children and teach them the love of Christ. Life has its challenges everywhere in our world today, but TGA has and is ensuring these children who live in poverty are truly loved.

Above are the dedicated staff of TGA who daily give of themselves sacrificially. We ask if you would take the honor of praying for one or all of them. Each has a story filled with hardships, but each has committed to teach at TGA depending on God’s provision. Each if asked, would declare “God is faithful”.

These are a few of the precious children they serve...
