IMPACTING LIVES IN KENYA.....

V6N4 April-May 2025

Are you amazed at what God has done?

If you have been following our journey you would realize that April 15th was and always will be a special day for FLMK. It was on that day in 2015 we dedicated the construction of our first permanent church building. From our humble beginning June 9th 2014, until then we had established three churches. One was literally under a tree in Kamwengi, one was in Mailisaba in the pastor's home and one in Maragoli in a structure that truly needed to be torn down.

But on that day in 2015, FLMK Manyatta moved into their new church building. If you were there you know the celebration and joy that filled the hearts of those who had chosen to serve God within Full Life Ministry Kenya's purpose throughout the country of Kenya.

Following Jesus...

We continue to fulfill the Vision God has placed upon FLMK to "Raise up an army of Warrior Disciples of Jesus Christ." These are a few pictures of our people during recent discipleship teaching.

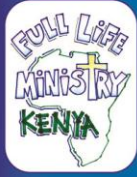

It is exciting to watch as the lives of new believers are changed for the Kingdom of God! As their training continues to see maturity in their walk, understanding who they are in Christ and how to defeat the enemies of the cross. Most rewarding is to watch them throughout the villages leading others to a personal relationship with their Savior and Lord Jesus!

Women's Conference

The wives of our pastors and women leaders gathered at our Bissil Church southwest of Nairobi for their bi-annual conference. They spent 4 days together worshipping and being taught the Word by a few precious Women of God. During the Friday session Bishop Chivington taught via WhatsApp video from the USA and then on Saturday FLMK Women's Director Dawn Chivington did the same encouraging and challenging those she has mentored the past 10 years. *[Pics on next page]*

What God waters...grows

Because of the growth of the Rongai congregation, the new church building we built in 2024 is already full. Please pray with us as plans to build a much larger building are being considered. We will then use this building for Sunday School. We give all the glory to God!

By God's grace, as from our beginning 100% of the funding FLMK receives hits the ground in Kenya without any administrative costs. Your contribution to FLMK 501c3 is good financial stewardship.
