IMPACTING LIVES IN KENYA.....

V7N1 Jan-Feb 2026

The Good News – Gospel of Jesus Christ

Now that the recent holidays, Christmas & New Years have come and gone, we move on to continue to live for His glory. Only God Himself knows who will be rescued from the wages of sin this year. Jesus Himself came to fulfill His Father's will that men, women & children could be restored to a living relationship with their Creator.

That was Good News when it was prophesied in the Old Testament *Micah 5:2; Isaiah 7:14* that Who we know as Jesus Christ would come to earth. That was Good News when the New Testament describes the fulfillment of these prophesies. *Matthew 2:1; 1:23*. And it is Good News that Jesus paid in full our "wages of sin". *1 John 2:2*

That Good News is proclaimed, preached & taught by the faithful pastors of all of our Churches and Fellowships. Being a pastor in Kenya is not easy. The daily challenges of caring for his family's needs are not met from what little his congregation has to contribute in tithes & offerings. The ministries that help support FLMK's efforts are God sent and we are eternally grateful to their obedience & sacrifices.

FLMK's mission to make disciples continues strong in the face of these challenges. In the last few months, we have won new converts and are training them in the Word of God. 39 graduated in New Life for Christ; 12 Growing in Christ; 4 Living in Christ & 15 Evangelism for Christ. Our teachers continue to disciple one by one. We are building an army of Warrior Disciples who are equipped and dangerous to the kingdom of darkness. We will not slow down or stop despite challenges.

We praise God that the new gate has been finally installed at our Headquarters where Triumphant Grace Academy is located. This is the gate that months ago was stolen from the welder who had been given the funds to build it. In Kenya almost no businesses have insurance which he had none. Miraculously he agreed to fabricate our gate again if we would give him time to recover. We thank God for His favor and for this man to be blessed abundantly for his decision and actions.

We are now waiting for the FLMK & TGA's names to be painted on our miracle gate. To the precious people at Life House Church, we thank you for making this wall & gate possible. It will provide security for Triumphant Grace Academy as well as our Headquarter Church facilities. Praise God!

MORE PRAISE REPORTS

We also want to share another praise report. God has moved through LifeHouse Church again as they have given funds toward the construction of Pastor Shadrack's house and the future purchase of a Ministry Vehicle. We immensely appreciate the generosity of the people at LifeHouse Church. We will continue with construct when not hindered by the rains. And we will begin the process of locating a vehicle that meets our needs within our price range. We ask that you pray God opens these doors and stop the rains.

PRAYER REQUESTS

In Kenya our school year begins in January and we would ask you to pray for our Triumphant Grace Academy staff. Their salary is minimal so each one sacrifices financially to serve our children. As you have necessity needs remember they do also. If you would wish to help, please do so and as with all of the donations we receive, 100% will be handed to them. I thank you in advance!
