IMPACTING LIVES IN KENYA.....

V7N2 March 2026

Back in Kenya

I landed in Nairobi March 1st after being in the states for the past few months. Out of necessity it has been the longest time away from being on the ground here in Kenya. For those of you who may not know my daughter, Dawn was injured by one of her students and was unable to walk. These past months of caring for her through her therapies was only possible because of the faithful pastors, TGA's school staff and other leaders we have in FLMK. I thank all of them and most of all the faithfulness of our Lord.

She has progressed to walking with a walker and is still going through a lot of rehabilitation therapy. The nerve damage still gives her a lot of pain but, we are believing God for a complete recovery so she can return to her teaching position by mid-April. I humbly ask that you would pray for her recovery.

Manyatta Headquarters and Triumphant Grace Academy

In our last Newsletter we had explained that the new gate had been installed but, awaiting the painter to complete the signage. Well, through all the rains it is finished! Behind this beautiful gate is FLMK's Headquarters Administration Building, our Manyatta Worship Centre and Triumphant Grace Academy. Your invitation to visit us in Kenya is always open.

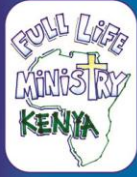

Igunga Worship Centre

We have relocated our Igunga congregation. It is just a short distance from where they have been since their beginning to this new permanent location. After we purchased the land much work still lies ahead to level and fence it. Then by the grace and provision of our Lord we will build their new church building.

Update on Pastor Shadrack's Family New Home

The foundation and floor slab phase has been completed and the next phase will begin soon. During the next phase all the walls will be built up to the lintel, paused and then continued. In our next newsletter by the grace of God, we will update. Please pray that the rains due not hinder the construct to much. It is the rainy season now.

PRAYER REQUESTS

Triumphant Grace Academy - We praise God that all of our teachers returned this year. It is only their willingness to sacrifice for our children that they continue. We are still praying for funding to raise their salaries to near the amount the public schools pay their teachers. *The Need: \$50/mo. per teacher*

Igunga Worship Centre – We need to fence the new plot and then build a structure to house this precious congregation. They have about 45 adults and 18 children. *Fencing: \$1,300 Church Structure: \$4,500*

Rongai Worship Centre – We still need to finish the fencing around their compound *Fencing: \$700*

Thank you for all your prayers and support. Please know “**you**” are making a great difference in the lives of the men, women & children of Kenya for eternity...
