IMPACTING LIVES IN KENYA.....

V7N3 April 2026

Triumphant Grace Academy

Many of our children still need a sponsor, these are urgent. A group of community members arrived at TGA; some were Muslims. They pleaded as they introduced a woman who was shedding tears with three children, the smallest on her back. She claimed she's suffering a lot. She has mental problems and is married to a drunkard with disabilities. They all live in a metal house. She's always being beaten, especially when she asks the husband for food.

At that time, the husband was seriously beating her, claiming he would kill her firstborn boy. The boy was crying for help and the girls ran away crying. The community members intervened and delivered the woman and her 3 children. They decided to bring them to TGA for help. Shelter is a problem because the house they live in is in very bad condition! It leaks during the rainy season.

They don't have enough clothes, no beddings, and they just survive with one meal a day given by some neighbors. The woman showed their legs and fingers, badly affected by jiggers. Since there was no other option, they were admitted to TGA school.

Both the boy Idii Mugera age 6 and the girl Salima Javoga age 5 need a sponsor. That sponsorship would provide their education, school uniforms and hot porridge when they come to school. As you can see from the pics, the family needs so much including clothing, bedding, cooking utensils...

A TGA Sponsorship is \$30 monthly. That may be a big commitment but, it accomplishes solving a big challenge in the life of a precious child. Some at FLMK Manyatta Worship Centre, next to the school are helping what little they can.

If you wish to sponsor or help in some way, please email me at fulllifeministrykenya@gmail.com

My daughter, Dawn

She has and is improving beginning to walk some without the walker. Please continue to pray for complete healing and may our Creator God bless you abundantly for interceding for Dawn.

Update on Pastor Shadrack's Family New Home

It is because of the great support from LifeHouse Church and a precious sister in Christ at BT Church, we are continuing to build. This picture was taken the 29th of March. All the walls will be built up to the lintel, paused and then next is the roof. Continue to pray the rains do not hinder the construct. Still the rainy season.

Yes, God supplies all our needs

We have been praying to replace the ministry vehicle for some good time. God said now is the time so... the precious people at LifeHouse Church donated the funds to do just that! Look at what God has done to us. Thank you LifeHouse !!!
