IMPACTING LIVES IN KENYA.....

V7N4 May 2026

Equipping our families

By the grace and provision of our Lord through a precious couple from Middletown, Delaware we were able to purchase two very good pikipiki (motor bikes). What does this mean “on the ground”? If I may, let me tell you the story of each these families so you can see the impact.

Pastor Patrick shepherds our Gavalagi Church along with his wife Jane. They have built a small congregation of adults and children in a rural village. FLMK is the only biblical church in the area where entrenched so-called churches teach “another gospel”.

It is a good distance from their homeplace so in the past Pastor would have to hire bodaboda (motorcycle taxi) each Sunday and Wednesday. He operates a small business which some weeks does not provide even enough for daily food etc. So many times, he and his family would have to walk the 1 ½ hrs. each way. Now the they are able to ride on his pikipiki!

It also allows more home visits, evangelism and his transport to work simply because of time. What a blessing to him, his family and the work of God. I believe we will see the church grow stronger and increase because if you get to know Pastor Patrick, he loves people and puts his time where his mouth is.

Our second family is Manyatta Church’s youth pastor, his wife and two small children. Pastor Danmus has been a bodaboda for some years to support his family and do the work of Christ. His pikipiki had been stolen about a year ago and life had been very challenging.

Now after receiving the pikipiki, he is back to transporting children to & from school and his other daily “God provided “customers. The needs of his family are now being met and his effectiveness for ministry has increased once again because of time. The problem has never been lack of desire because if you get to know Pastor Danmus, he is always in “high gear” for doing the work of God.

We met together with Deputy Bishop for chai & mkate and to their surprise there was more than breakfast. When we took them outside to see “something” for them they all were jumping, dancing and praising their God! There were tears of joy because God had seen their struggles and moved for them. I became the first “abiria” passenger. Many, many words of thanksgiving and praise to the King of Kings!

Triumphant Grace Academy

We celebrated our Annual TGA staring Staff with refreshments & hardcake (its hard, but good). We had a wonderful look-back at the previous school year. All of our staff received their years of service award. Our longest service awards went to Director Omega and Teacher Mary with both serving our precious children now for over 10 years. God has blessed us with teachers and staff that sacrifice to labor with TGA because of their love for the children and their dedication to their Lord & Savior Jesus Christ.

Praise Report - My daughter, Dawn

She was able by the grace & healing of Jesus to return to work on April 20th! She still has much pain 24/7 but God is enabling her day by day. For those of you who have been faithful to pray for her, THANK YOU and may our Lord abundantly bless you. Please continue to pray to the end that God will heal her completely and she and I will one day run together in Kenya!

PRAYER REQUESTS

Triumphant Grace Academy - We are still praying for funding to raise our teachers' salaries to near the amount the public schools pay their teachers. *The Need: \$50/mo. per teacher*

Igunga Church – Fencing: \$1,300 Church Structure: \$7,500 Rongai Church – Fencing: \$700

Medical Bills – Never asked for this before but never had a situation like this one. One of our young women's aunt was hospitalized but has passed on now. She left a horrific hospital bill that needs to be satisfied. Things here in Kenya are different when it comes to such things. If you feel to help, anything will help. *Total Bill in USD \$7,874*

Thank you for all your prayers and support. Please know “**you**” are making a great difference in the lives of the men, women & children of Kenya for eternity...
