IMPACTING LIVES IN KENYA.....

V7N7 Aug 2026

Visitors from USA

In July, we had the privilege of a wonderful family coming from the state Tennessee in America. Billy & Lilian came with their children and niece. In the morning, they visited with our children at Triumphant Grace Academy. We had a Flagpole assembly with singing and bible scriptures. After that, it was wonderful to watch as the whole family serve porridge to each of our children.

Then we all made a visit to three of the children they sponsor. As we entered each home there was great joy as they provided an abundance of food staples, school backpack and other gifts. The parents and grandmothers were so grateful. It was a such a big blessing at each home.

We saw hearts of true servants of Christ as they gave and gave out of the love of Jesus. At one home Billy notice a teenage boy laying up against the mud house. Asking, he was told the boy had been like that since birth walking with his hands. His compassion went out to the boy as he gave something to help.

Later, we all gathered back at the school for lunch. The day passed so fast and it was already time for them to go. It was hard to say good bye to these wonderful people we had only met hours earlier. But you know, that is how it is with true believers. One day soon, there will be no more goodbyes.

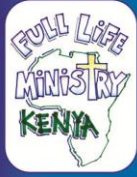

Igunga Church Land Dedication

Sunday July 12th, we dedicated the new plot for FLMK Igunga Worship Centre. Much celebration as we dedicated the land anointing it for God's purposes. After preaching the Word of our Lord two new "seeds" were planted as two young women came forward to confess Jesus Christ as Lord & Savior. And an exceptional blessing as the one woman brought here baby boy to be dedicated to Christ! (cont'd)
